

Attention all adventurous people,

You have an exciting opportunity to take part in Active Grindleford's **Canoeing and Climbing days taking place on 12 and 13th July** in association with, 'The Whitehall Centre – Buxton.'

The day is open to all ages and abilities, however, some activities do have age and height restrictions applied to them, activities will run from 10am – 4pm and you can choose one or both activities...**the choice is up to you!**

The activities on offer will include:

- Climbing: Why not try climbing at one of the Hope Valley's famous climbing spots. where adults and young people can all come along and try out climbing. A family friendly session, as well as time for those who would like to start learning more skills and how to go climbing independently. For these people there will be a chance to do some more advanced sessions.

(must be aged 8 or older)

- Canoeing: Have you ever been in a canoe? Now is your chance to try! Come and try out both canoeing and kayaking either by yourself, with friends, or bring the family. No age restrictions, as long as the buoyancy aids can fit, we can get them on the water! A full day of fun on and in the water! Bring a picnic lunch and hopefully we will get to enjoy it in the sunshine!

(must be more than 1.4m tall)
